September Meeting on the 17th

The September meeting will be Thursday, **September 17th at 7:30 P.M.** We will discuss plans for opening day and for a Fall clean-up day. Come and find out

what the other members have been up to all summer.

Opening Day October 10th

The board has decided that opening day will be on Saturday, October 10th. We'll have the traditional breakfast starting at 6:00 AM with fishing starting at 7:00 AM.

We need help with the shopping, preparation, cooking and clean-up for breakfast. We'll discuss this at the September meeting.

Pond Stocking

The pond will be stocked with trout for opening day sometime on the week of October 6th. Before fishing that week, please check the clubhouse for a notice

which will tell you that the stocking has occurred. No fishing is permitted between the stocking and opening day.

June Meeting

The cookout on June 21st was a success in spite of the very rainy day. There was a good turnout and people enjoyed the hamburgers, hot dogs and other food. Thanks to everyone who participated.

Fishing Report

Fishing has been slow since June. A report of a trout caught in August was received. In the evenings, a few tantalizing swirls can be seen out in the

middle of the pond. As the water cools, we'll get a better idea of the holdover situation. Of course, opening day will bring a vast improvement.
