September Meeting on the 15th

The September meeting will be
Thursday, September 15th.

We'll start off with a chicken dinner
cooked by Bill Hagar and Rollie Johnson.
Dinner starts at 7:00.

In the business portion of the meeting, we
will discuss opening day plans, clean-up
day plans and other projects around the
property. Come tell a few lies about your
summer fishing successes – someone may
believe you!

Tuesday Night Fly Tying October 4

The Tuesday night fly tying will resume
on October 4th. Come down to the club
house around 6:30 and join in. Bring your

vice, tools and materials and see what you
can learn and share.

Clean up Day October 8

The property looks very good, thanks to
those who cut the grass and kept it up
over the summer. But, there is more to
do. We're having the fall cleanup day on
Saturday, October 8th. Starting around
7:30 we'll clear brush, cut weeds and pick
up sticks to get the place looking ship

shape before opening day. We'll make
detailed plans at the September meeting.

Another property project for the fall is to
stain the parking lot side of the clubhouse.
With three members we can probably do
this in a day or less. We'll discuss this at
the September meeting.

Fall Opening Day October 15

Fall opening day will be Saturday, October
15th. The pond will be stocked the week
before. Look for the "No Fishing" signs if
you come by before Saturday. The excellent
breakfast we've come to depend on will be
served starting at 6:00 AM, followed by the

opening bell at 7:00 AM. With the friends,
the food and fish, opening day is one of the
highlights of the club year; it's always a
good time no matter how many fish you
catch!
