### September Meeting on the 19th

The September meeting will be held on Thursday September 19<sup>th</sup> at 7:30 PM. The meeting will feature a special sale of fishing and fly tying items from the estate of Bob Proctor. There will be flies, fly boxes, reels

and lots of fly tying materials. We will have a chicken dinner before the meeting, so come a little early to have a bite and catch up with other members.

### Clean up Day October 5th

The fall clean up day will be on October 5<sup>th</sup>. We need help to clean up the trash around the pond, clear the trail around the pond, dispose of unneeded firewood and work on the clubhouse. We've had great turnouts for these events recently and hope this will continue. We need all members to contribute a little time and whatever talents they have. This helps keep the dues low; what we don't

do ourselves we need to pay others to do. Numerous members have contributed their time and abilities for tasks around the club over the last couple of years and we appreciate their efforts. The most recent example is when Richard Marashlian, (who is in the rug business), came in and professionally cleaned the rug in the clubhouse.

### Fall Opening Day October 12th

The fall opening day will be Saturday, October 12th. The pond will be stocked on October 7th or 8th. After the stocking, signs will be posted, prohibiting fishing until opening day. Opening day will start with a

great breakfast, starting at 6:00 AM. After a hearty meal and some strong coffee to get you going, the first cast will be at 7:00 AM.

### Fly Tying October 1st

The monthly fly tying classes will start up again on Tuesday, October 1<sup>st</sup>. The fun starts

around 6:30 PM. Those who want to can kick in a few dollars to share some pizza.

### ASPIRE Thanks

The group of young adults with Asperger's syndrome in the ASPIRE program that the club hosted on May 21<sup>st</sup>, sent the club a letter telling us how much the group enjoyed their

outing with our members. Thanks to all who made this a success for the guests and for the club.

### **Good Luck Shane**

Shane Yelin, a member who has been very active in the club for several years, has moved on (to bigger and better fish, we hope). In June, Shane took a job in California. Phil Trotter organized a going away party for him

at the club. Shane was a member of the board of directors; we will fill his seat in next year's elections. We thank Shane for the work he did for the club and we wish him all the best in his new endeavor.

### **Contact Information**

We've set up a new way for members to contact the club officers, just email to [Officers@troutpond.com](mailto:Officers@troutpond.com). This will send

your email to the President, Vice-president, Treasurer and Secretary.
