November Meeting on the 19th

The November meeting will be held on **Thursday, November 19th starting at 7:00 PM** at the clubhouse. This meeting will feature the annual raffle and a special silent auction. A cold cut dinner will be served starting at 7:00, followed by the raffle and

auction around 7:30. This is always a lot of fun.

We need items donated for the raffle. We want good fishing or outdoor- related items that you no longer need. The raffle organizers reserve the right to refuse any donation!

Silent Auction

Due to the generosity of several current and former members, we have a selection of exceptional tackle to auction for the benefit of the club. Over the next couple of months,

we'll use a silent auction at each meeting to raise some funds and to get some good tackle into member's hands. At the November meeting the items will be:

Penn Senator Salt Water Reel 113H 4/0
 Penn Senator Salt Water Reel 112 3/0
 Orvis TLS Midflex Rod 9 ft 2 piece 5 wt
 Cabelas Fish Eagle Rod 9 ft 2 piece 5-6 wt

Fly Tying December 1

The monthly fly tying meeting, led by Roy Swartz, will be held on December 1st starting at 6:00 PM. Bring your own tools and materials; you can learn a lot and have a good

time doing it. If you want to eat and tie, you can chip in \$5.00 for pizza.

Fall Opening Day October 10th

Fall opening day was Saturday, October 10th. The hearty breakfast we love was followed by some slow fishing. But fish were caught and that's the most important thing! Bob Kenney caught the first fish.

Junior Member Day

We had a good turn-out for the junior member's day on October 18th. Thanks to all who attended or helped out. We will do more of these in the future. Remember our Junior Members are the FUTURE of Fly Fishing and our Club!

Club House Cleanup

The club house cleanup is scheduled for the afternoon of Sunday, November 15th. This

will get the clubhouse ready for winter and for the holiday meetings.

One Fly Tournament

The one fly tournament was held on November 1st. Fishing was pretty slow, but in the final hour Roy Swartz took a commanding lead by catching three trout on his #14 olive bead head nymph. In fact, no other competitor landed a fish during the

tournament. But it was a fun get-together on a very nice day. Congratulations to Roy and thanks to all who participated.

Fishing Report

The fishing has been slow for most members this season. In the week or two after opening day, a swallow nymph fished slowly beneath the surface was working for several members, but that action has slowed down. Fish were

hitting streamers occasionally and on some days nymphs were producing. Our avian competitor, the cormorant, has been seen getting a few, to our frustration!
